TEAK FURNITURE

MATERIALS

TEAK

Comes from sustainably harvested teak. This highly dense timber is attractive with the very best durability. All wood is kiln dried with the contemporary design to elevate your outdoor spaces.

FRAME

Warm and cool materials combine for a perfect comfort . Strong line of stainless steel and rust proof alumunium with invisible welds and reinforced stress points - extremely strong and give the collection is an open invitation to relax in luxury for years to come.

SYNTHETIC FIBER

This fibers are from polyethylene fiber, which are both UV and weather resistant. The fibers are excellent for flexibility and stability in climate conditions.

TEXTYLENE

This all weather materials is extremely comfortable durability for outdoor and indoor use, built for modern day demands with easy maintenance and non toxic materials.
